

Operational Standards

OS - 5.1 | Air Brick Protection

Revision:

A

Section:

5.0 - Plot Groundworks Stage 1

Visual Aids

Information

Objective	Application
• To cover and protect air bricks • To positively promote the MIDA brand	• All air bricks - Unless instructed otherwise by the client
Instructions	
• Once bricks are installed, ensure a MIDA branded air brick cover is installed over the air brick • Air brick sticker to be wrapped around the side of the air brick and mucked in – this prevents it falling off • Check and maintain throughout the build process
