OS - 5.6 | Manhole Protection

Revision:

A

Section:

5.0 - Plot Groundworks Stage 1

Visual Aids

Information

Objective	Application
● To cover and protect private manholes to minimise damage from plant and vehicles during the construction phase ● To positively promote the MIDA brand	● All private manhole covers
Instructions	
● Ensure all manhole covers and frames are level and screwed down ● Utilising the cover screws, install a MIDA “Storm Water” or “Foul Water” protection cover to the manhole lid ● Check and maintain throughout the build process
